Accrediting agencies recognized by the US Department of Education are required to notify regional accreditors, selected specialized accreditors and state agencies responsible for postsecondary education of final accreditation decisions. Please be advised that the Council on Education for Public Health (CEPH), the recognized accrediting body for schools and programs of public health, took the following action at its meeting on June 14-16, 2018. The action became final on August 8, 2018, following an opportunity for the program to initiate an appeal.
