

# 2016 Criteria to date: summary & key takeaways

April 2019

- 138 schools and programs required to submit a compliance report
- 12 full reviews (with site visits) with finalized accreditation decisions
- 34 reports had a clean review; 66% of reports had some CNV findings, but are making good progress
- 72 of our units had between 91-100% of the D2 competencies validated through either the compliance report or a full review
- Most of the competencies in D2 had a higher accepted submission rate between 2018 and 2019. The biggest improvements are seen in competencies #3, 13, 14, 21 & 22

Percentage of MPH foundational competencies accepted by unit

## What do reviewers need to see?

- ✓ Description of expectations for each assignment
- ✓ Schedule & outline of class topics & assignments
- ✓ Grading:
  - ⇒ What gets assessed?
  - ⇒ What goes into the grade?
  - ⇒ Who does the assessment?
- ✓ Textbooks & readings

Submissions accepted by D2 competency, 2018 vs. 2019 reports
