

NOTICE OF ACCREDITATION ACTIONS
COUNCIL ON EDUCATION FOR PUBLIC HEALTH
Spring 2015

Accrediting agencies recognized by the US Department of Education are required to notify regional accreditors, selected specialized accreditors and state agencies responsible for postsecondary education of final accreditation decisions. Please be advised that the Council on Education for Public Health (CEPH), the recognized accrediting body for schools and programs of public health, took the following actions at its meeting on June 11-13, 2015.

ACCREDITATION ACTIONS

Initial Accreditation -The term for an initial accreditation review is up to five years.

MPH Program

AT Still University

Initial accreditation to July 1, 2020

Interim reporting required

MPH Program

Interim reporting required

MPH Program

Touro University – California

Continued accreditation to July 1, 2022

Interim reporting required

Public Health Program

New York Medical College

Continued accreditation to July 1, 2022

Interim reporting required

⁴ Typically, this accreditation review would result in an accreditation term of seven years for the program, extending to July 1, 2022. Because Brown University has submitted an application to transition its accreditation status from program to school, our procedures indicate that the School of Public Health must successfully conduct a full accreditation review with a site visit in fall 2015 in order to maintain continuing CEPH accreditation.

MPH Program
Morehouse School of Medicine
Continued accreditation to July 1, 2022
Interim reporting required

College of Public Health
East Tennessee State University
Continued accreditation to July 1, 2022
Interim reporting required
