

NOTICE OF ACCREDITATION ACTIONS
COUNCIL ON EDUCATION FOR PUBLIC HEALTH
Spring 2016

Accrediting agencies recognized by the US Department of Education are required to notify regional accreditors, selected specialized accreditors and state agencies responsible for postsecondary education of final accreditation decisions. Please be advised that the Council on Education for Public Health (CEPH), the recognized accrediting body for schools and programs of public health, took the following actions at its meeting on June 15-18, 2016.

Continued accreditation to July 1, 2023

Interim reporting required

For USDE database: PHG – graduate level school of public health (includes master’s, doctoral degrees)

³ Typically, this accreditation review would result in an accreditation term of seven years for the program, extending to July 1, 2023. Because Temple University has submitted an application to transition its accreditation status from program to school, our procedures indicate that the College of Public Health must successfully conduct a full accreditation review with a site visit in spring 2017 in order to maintain continuing CEPH accreditation.

⁴ Typically, this accreditation review would result in an accreditation term of seven years for the program, extending to July 1, 2023. Because the Université de Montréal has submitted an application to transition its accreditation status from program to school, our procedures indicate that the School of Public Health must successfully conduct a full accreditation review with a site visit in spring 2017 in order to maintain continuing CEPH accreditation.

Graduate Program in Public Health

University of Connecticut

Continued accreditation to July 1, 2023

Interim reporting required

For USDE database: PHPG – graduate level program offered outside a school of public health (includes master’s degree)

Milken Institute School of Public Health

George Washington University

Continued accreditation to July 1, 2023

Interim reporting required

For USDE database: PHB – baccalaureate and graduate level school of public health (includes bachelor’s, master’s, doctoral degrees)

School of Public Health

University of Alabama at Birmingham

Continued accreditation to July 1, 2023

Interim reporting required

For USDE database: PHB – baccalaureate and graduate level school of public health (includes bachelor’s, master’s, doctoral degrees)
